BIANCAMANO  
L U C E

A partir da sustentabilidade e do respeito à diversidade que compõe o DNA de nossa empresa, a Biancamano Luce desenvolve desde 1995 conceitos de iluminação.

A Biancamano cria seus projetos e produtos com a ajuda da inventividade de designers e arquitetos brasileiros comprometidos com suas identidades culturais, utiliza técnicas de reaproveitmento e reciclagem e faz uso de matérias primas certificadas no desenvolvimento de suas luminárias. Biancamano Luce é hoje uma referência no mercado de iluminação.

Seus produtos estão presentes em lojas nos principais shopping centers, hotéis de design, bares e restaurantes descolados, sedes de grandes empresas e espaços culturais de todo o país.
